REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

On behalf of the Sterling School Improvement Council, I am proud to offer a glimpse of the exciting school that your child has the opportunity to experience each day. Sterling is an exceptional place that offers two unique and distinct programs, as well as leadership initiatives and extracurricular experiences for development. SIC has worked closely with the administration and faculty to ensure the best educational experience possible. The council monitors and helps develop the strategic plan for Sterling, continuing to push our school to move forward and strive for ongoing success. We work closely with the principal to make decisions that encourage and improve the education of our students. We have five subcommittees that assess and focus on areas of improvement.

The CTC Gifted and Sterling Elementary Committees follow the curriculum and direction of our two academic programs.

The Leadership Committee continues to strengthen our leadership initiative.

The Grounds Committee has been instrumental in the development of our new garden and outdoor classroom.

The Community Partnership Committee continues to nurture and encourage community connections.

Our committed staff and faculty, in addition to our dedicated parents, create an exciting learning environment for our students. We thank you for your support and ask for your continued involvement to make Sterling School a legacy for years to come.
